

## **ABSTRACT**

*Keywords:* Online Publishing, Publication, Article, Editor, Reader.

*Abstract:*

Mindanao Varsitarian is the official student publication of Mindanao State University-Main Campus. This capstone project aims to implement an online publication for Mindanao Varsitarian to aid both its publishers and readers through providing easy availability of the said publication and better communication between publishers and readers. The proponents of this project shall develop the proposed system using Agile Method of web development and shall use a server database for storing data.
